Houston Area Service Committee (ASC) of Narcotics Anonymous (NA) Policies and Procedures

In keeping with the spiritual nature of Narcotics Anonymous (NA), our structure should always be one of service, never of government (12th Concept for NA Service).

I. Purpose of the Area Service Committee (ASC)

A. ASC Purpose

1. The ASC is based on NA's 5th Tradition, "each group has but one primary purpose—to carry the message to the addict who still suffers," and the 12th Step. Everything we do in NA Service must be motivated by the desire to further our primary purpose and help the groups carry the message of recovery — "that an addict, any addict, can stop using drugs, lose the desire to use and find a new way to live" (5th Tradition).
2. The Houston Area is the point of decision for our combined groups, and it is directly accountable to them in its actions, "the final responsibility and authority for NA services rests with the NA Groups" (2nd Concept).

B. General Provisions

1. The name of this assembly shall be the Houston Area Service Committee of Narcotics Anonymous (HASCONA), hereafter referred to as either "HASCONA" or "ASC."
2. The ASC receives its direction from the NA groups of the Houston area. The ASC shall be directly responsible to the groups of HASCONA in all its actions.
3. The ASC, its officers and subcommittees shall not make any decision, pass any proposal, or take any action that conflicts with the Twelve Concepts (Appendix A), Twelve Traditions (Appendix B), or Twelve Steps of Narcotics Anonymous (Appendix C).
4. All ASC trusted servants, subcommittees and the ASC itself take guidance and direction from a working knowledge of the following:
 - a. The Twelve Concepts, Twelve Traditions, and Twelve Steps of Narcotics Anonymous
 - b. The current ASC Policies & Procedures
 - c. A Guide to Local Services in NA and conference-approved service handbooks

II. Policies & Procedures

A. Purpose of Policies and Procedures

1. The purpose of the ASC Policies and Procedures document is to establish a set of provisions for how the ASC will conduct its affairs. These apply to the objectives of the ASC, its management structure, and its internal processes. Having clear operational guidelines eliminates much of the inefficiencies that can arise when individuals or groups disagree on how to proceed with ASC business. These Policies & Procedures are intended to allow for smoother operations, consistency in decision-making, and a clear focus on the ASC's intended purpose. In addition, Policies & Procedures can help educate new members about how the ASC operates to ease the transition into service at the Area level.
2. All members of the ASC should obtain and read the Policies & Procedures document. The most recent version of the ASC Policies & Procedures will be available for download on the HASCONA website—hascona.com.
3. All ASC business will be conducted in compliance with the most current published version of the ASC Policies & Procedures, with no exceptions unless waived by a 100% consensus of the ASC members present at any given meeting.
4. HASCONA Policies & Procedures are founded in the 12 Concepts for NA Service.
 - a. The 1st Concept states that "to fulfill our fellowship's primary purpose, the NA groups have joined together to create a structure which develops, coordinates and maintains services on behalf of NA as a whole." Therefore, ASC Policies & Procedures includes the ways NA

services can carry out NA's primary purpose and how "we can do together what we cannot accomplish separately" (12 Concepts Handbook).

- b. Having an effective Policies & Procedures document helps the ASC make the best possible decisions for NA groups embodies the 3rd Concept which states that "NA groups delegate to the service structure the authority necessary to fulfill the responsibility assigned to it."
- c. This purpose also encompasses the 5th Concept's ideal that "a single point of decision and accountability should be clearly defined." ASC Policies & Procedures are used to understand what responsibilities are delegated and to whom in a concise format that is easily comprehended.
- d. A clear and easily understood description of ASC decision-making ensure that all ASC members will be able to fully participate in the decisions that come before this body and will stress the team effort required to get things done. This follows the 7th Concept, which states that "all members of a service body bear substantial responsibility for that body's decisions and should be allowed to fully participate in its decision-making process."
- e. Due to the importance of financial responsibility, ASC Policies & Procedures document includes a section on how to manage NA funds at the Area level, section "Financial Responsibilities". "NA funds are to be used to further our primary purpose and must be managed responsibly" (11th Concept). As addicts, we didn't always manage money well, so it is of utmost importance to devote an entire section in ASC Policies & Procedures on how to be fiscally responsible with NA funds, including recordkeeping and accountability. ASC is bound by NA Traditions and Concepts to be trustworthy stewards of ASC monies, as it does not belong to ASC but to the NA members who donated it to carry out our primary purpose and who have delegated that responsibility to the ASC.
- f. Lastly, this Policies & Procedures document serves as a collection of guidelines only, not commands or orders, and is not to be weaponized for control or power nor used for self-seeking purposes. This document seeks to reinforce the idea of selfless service, open communication, clear orderly direction and transparency. For this is the heart of the 12th Concept, stating "our structure should always be one of service, never of government."
- g. Revisions to ASC Policies & Procedures may only occur according to the following policy change process.

B. Policy Change Process

1. In order to make a change to the ASC Policies & Procedures ("P&P") document ("ASC Policy" or "Policy"), a proposal needs to be written on the approved ASC proposal form (Appendix G) and submitted prior to New Business as listed on the ASC agenda at an ASC meeting. All proposals, regardless of policy impact, will be heard under New Business in the order received.
2. Every proposal submitted to the ASC that requests a change in ASC Policy will be referred to the Policy subcommittee as decided by the ASC for review at its next subcommittee meeting.
3. The Policy subcommittee will review all policy related proposals to determine how the current Policy is changed, affected or impacted by the proposed change(s).
4. If the proposed change is considered unneeded or inappropriate for the ASC Policy, the Policy subcommittee will provide a written response to the proposal stating why the proposed change should not be implemented, along with any recommendation of the subcommittee at the next ASC.
5. If the proposal is relevant to ASC Policy, the Policy subcommittee will develop the appropriate policy language amendment and will present these Policy Change Proposals together to the ASC for consideration and approval twice per year according to the schedule below.
6. While Policy Change Proposals can be submitted at any time during the calendar year, implementation of those changes to the ASC Policies & Procedures document will only occur twice per year in order to maintain consistency in operations throughout the year. Semi-annual Policy changes would occur by ASC decision on any Policy Change Proposals at the ASC meetings

June and December of each year, with changes taking effect at the end of each June and December meeting.

7. The schedule for revising the ASC Policies & Procedures document is as follows:
 - a. Deadlines for submission of any proposal to change the ASC Policies & Procedures in an upcoming revision cycle are May and November; however, as a reminder, proposals for policy changes can be made and submitted at any time during the year, **but they will only be approved and incorporated** into the Policies and Procedures **twice per year**.
 - b. Policy Subcommittee reviews/revises all Policy Change Proposals year-round. All Policy Change Proposals must be received as of the May and November ASC meetings. Then at the June and December ASC meetings, all received and reviewed Policy Change Proposals will be presented for approval by the ASC.
 - c. Groups shall consider each policy amendment (Policy Change Proposal) and be prepared to affirm, deny, or amend each proposed change at the June and December ASC meetings.
 - d. The Policy Subcommittee then incorporates approved changes into the ASC P&P Document and publishes the revised ASC Policy for the ASC to have available at its meetings in July and January, in addition to posting the new version on the HASCONA website.
 - e. The revised Policy & Procedures Document will be updated on the HASCONA website by August 10th and February 10th or sooner, so it is available to all ASC members.
8. To summarize, changes to ASC Policy and the ASC Policies & Procedures document will occur **ONLY TWICE** per year, in 6-month cycles. Policy Change Proposals may be submitted at any time and will be reviewed by the Policy subcommittee year-round. Refer to the following schedule:
9. Deadline to submit Policy Change Proposals: May/November
10. Approval of Policy Change Proposals by ASC: June/December
11. Printing/Publishing of Revised P & P: July/January

III. Membership and Committee Members

A. Membership and Participation

1. Although anyone can be a member of Narcotics Anonymous as long as they have a desire to stop using" (3rd Tradition), the Area Service Committee is established by the groups as a means to express the group's conscience on issues that affect other groups, our area and NA as a whole. Therefore, membership in the ASC is limited to those trusted servants elected by the groups to represent them.
2. Though any Narcotics Anonymous member or interested person may attend the ASC meeting, an eligible voting member is an ASC Elected Trusted Servant or GSR. Even though we do not vote, unless holding an election (we use consensus-based decision-making to conduct business) those individuals in attendance may not vote unless they hold one of the following positions.
3. ASC members consist of the GSR, Alternate-GSRs, or a Group Member designated by its Group, ASC Elected Trusted Servants, including Subcommittee Facilitators.
4. ASC Elected Trusted Servants include the Facilitator, Co-Facilitator, Recorder, Treasurer, Co-Treasurer, Regional Committee Members (RCM 1 and RCM 2), and the Facilitators of the following standing subcommittees: Hospital & Institutions, Outreach, Activities, Public Relations, Policy and HACNA.
5. The Administrative Committee consists of the ASC Facilitator, Co-Facilitator, Recorder, Treasurer, Co-Treasurer, both Regional Committee Members (RCM1 and RCM2) and the Policy Facilitator.

IV. ASC Meetings

The ASC is a resource for groups to seek input on a variety of service-related issues and support for their groups. The open forum sharing session provides a way to discuss issues in an informal setting. Ideally, this helps to achieve consensus when decisions need to be made in the business portion of the ASC meeting. It is also an opportunity for any committee member to receive information on service-related issues that they would like guidance on.

A. Meetings and Events

1. The ASC shall meet the last Sunday of each month unless changed by ASC consensus (e.g.: holiday and NA function conflicts).
2. In the event of an emergency or inclement weather, the administrative committee shall oversee cancelling and rescheduling the ASC. A majority of administrative committee members will vote to do so. The Recorder shall notify the ASC members of cancellation quickly and of the rescheduled ASC in a timely manner.
3. Workshops, Learning Days, or any other major HASCONA committee meetings or events will be established and approved by the ASC.
4. All permanent subcommittee meetings (Hospitals and Institutions, Public Relations, Activities, Outreach, Policy,) shall meet each month with the time and place to be scheduled by the individual subcommittee.
5. The ASC shall include a GSR orientation conducted as needed by the RCM 1 or RCM 2 at the ASC meeting (Appendix D).
6. All HASCONA meetings and indoor functions are non-smoking, and this includes the use of electronic cigarettes.
7. If the Area Facilitator is unable to facilitate the ASC meeting, the Co - Facilitator shall fulfill those duties for that ASC (A Guide to Local Services). If the Co - Facilitator is unable to facilitate the ASC meeting, the RCM1 shall fulfill those duties for that ASC. However, if the RCM's feel that a more experienced Subcommittee Facilitator is better suited to Facilitating, the responsibilities of facilitating may be passed to a Subcommittee Facilitator with more experience.
8. Our group starter is the kit available from Narcotics Anonymous World Services (NAWS). We will give this kit to new groups as they join the Area.

B. ASC Meeting Format (Standard Agenda)

1. The Facilitator prepares an agenda prior to the ASC, to be approved during his/her report
2. The order of business of this agenda may be changed by consensus at the ASC
3. The NA Service Prayer is typed onto the ASC Agenda
4. Appendix I – ASC Meeting Format presents the order of business for the ASC

V. Decision Making

As a spiritual body, we try to reach all decisions via consensus; we believe that a loving God's will be expressed through our group conscience (2nd Tradition). One of the reasons we try to achieve consensus is that it ensures we follow our 9th Concept, "all elements of our service structure have the responsibility to carefully consider all viewpoints in their decision-making process." By carefully discussing and respectfully listening to all points of view we try to make sure this happens at the ASC.

A. Consensus-Based Decision Making (CBDM)

1. All ASC proposals and decisions except elections will be considered using consensus based decision making (CBDM). (See Appendix F)
2. For the ASC's purposes, the process for consensus-based decision-making allows for points of view to be heard and fairly considered within the ASC.
3. If at the end of discussion the ASC has not reached agreement (this is defined as having seventy-five percent of groups with voting privileges in agreement), those dissenting from the majority will be given the opportunity to state the reason for their

dissent if they choose.

4. If their rationale does not persuade the majority to change their view, the dissenting member(s) may be asked if they can support the majority view, even though they themselves do not agree with it.
5. In matters where the dissenters cannot assent to the majority, a decision will be postponed until the following area, unless the proposal has been blocked by the dissenters.

C. Decision Making Ground Rules

1. A time limit of 15 minutes will be imposed on the discussion of proposals
2. A consensus is reached when 75% of groups with voting privileges are in agreement
3. No Repeating
4. No Bulldozing Majority
5. Hear the Minority Opinion
6. Decide ahead of time what we consider a Consensus
7. Meeting Recordings (Formally Minutes)
8. Respect One Another

D. How CBDM Works

1. A proposal [Appendix G] is presented as clearly as possible by the Facilitator while keeping the proposal's author anonymous.
2. Clarifying Questions - questions are asked by anyone about the proposal to make sure that everyone understands it before discussion.
3. Discussion or Reservations - The proposal is discussed and debated. Possible amendments to the proposal are made at this time.
4. Take general feelings on the proposal - Do we have a consensus?
 - a. **Assent** - I agree and/or go with it. Shown with silence.
 - b. **Assent with Reservations** - I don't like this but I trust the Group and the process. It does not block the passing of a proposal.
 - c. **Stand Aside** - I don't agree. It does not block the passing of a proposal, but it is a public statement of why you dislike it.
 - d. **Block** - Blocks the proposal from passing. Blocking it means that you cannot live with the proposal if it passes. It is so objective to you/those you represent, that you will stop the proposal from passing. A block isn't an "I don't really like it" or an "I liked the other idea better." It is an "I cannot live with this proposal if it passes. I think it violates traditions or spiritual principles or concepts, and here's why..."
5. **Does the Proposal Pass?** If the feelings of the group are generally positive and there are no major objections, then the proposal passes. If general feelings are positive, but someone has blocked the proposal, the proposal doesn't pass. It may get sent to a reconciliation committee or withdrawn and reworked and represented at a future ASC meeting. If the group's feelings are generally negative, the proposal doesn't pass. If the group's feelings are mixed, not generally positive or negative, discussion continues, or the proposal is tabled until the next meeting, or until more information is available. If discussion seems to be going on forever without the possibility of resolution, the group can:
 - a. Decide to drop the proposal.
 - b. Move on to approval voting of specific options within the proposal or,
 - c. Send the proposal to a 'reconciliation committee' - or perhaps the original author - for rewriting to work out the objections.
6. Any decision goes back to the groups when 25% of the GSRs present feel they cannot carry the conscience of their group.
7. All ASC members except the member acting as Facilitator may participate in

- decision-making during new business and all other ASC decisions except those exceptions listed in this section.
8. No ASC member will be permitted more than one vote in any decision, regardless of how many positions they hold, or groups they represent. You cannot hold more than one position at the same ASC. For example, you cannot be both GSR and Treasurer at the same ASC. You cannot represent a group for purposes of voting or attendance and hold another ASC Elected Trusted Servant position at the same ASC. If voted into a new position at the ASC, you take your position after the closing prayer of the ASC at which you were elected.
 9. A group will no longer be considered a 'group with voting privileges' if its designee has been absent from the last two consecutive ASC meetings. When a returning group has been present for two consecutive ASC meetings, their GSR or group representative may vote at the second meeting in which they are in attendance. New groups become voting members as of their second consecutive ASC.
 10. The Facilitator or Acting Facilitator shall act as a neutral party and refrain from active debate on all proposals.
 11. Any member of Narcotics Anonymous may make a proposal and/or participate in discussion.
 12. New proposals submitted after the beginning of new business may not be considered until new business at the next ASC.
 13. Proposals may be amended during the discussion of the proposal or withdrawn at any time. Proposals must include: a written motion for the body to consider, the intent of the proposal, and may include the name of the individual or group submitting the proposal. In any case, an author's name will not be announced during the reading of the proposal.
 14. All proposals must be submitted to the Policy Facilitator in writing to ensure accuracy (Appendix G). The Policy Facilitator will keep a copy of all passed or failed proposals in a proposal log.

VI. Nominations and Elections

A. Effective Leadership

1. During our election process, we focus on the 4th concept: *"Effective leadership is highly valued in Narcotics Anonymous. Leadership qualities should be carefully considered when selecting trusted servants."*
2. Leadership qualities valued:
 - a. Consider if the nominee(s) have the time and resources to fulfill the position requirements (i.e., make regular meetings, have regular access to phone, transportation and a computer)
 - b. Consider the nominee's history with previous service positions held:
 - i. Identify which one(s), where and how long?
 - ii. Was the term of the position completed? If not, why not?
 - iii. How were differences of opinions handled?
 - iv. Were any NA funds misappropriated? (If so, how and what amends were made?)
 - c. Consider attendance record for that service position. (Made all meetings? Missed what percentage of meetings?)
 - d. What would their fellow members say about their leadership in that/those position(s)?
 - e. Timely completion of reports and responsibilities of prior position(s)?
3. Consider the nominees' current recovery
 - a. Have an NA sponsor?
 - b. Do you have a Home Group?
 - c. Are all the positions in your Home Group filled?

- d. Worked all 12 steps?
 - e. Worked or currently working on the 12 Traditions?
 - f. Have read the 12 Concepts?
 - g. Do you have sponsees?
4. The qualities we highly value, do you consider the nominee to possess the following qualities:
- a. Honesty
 - b. Integrity
 - c. Positive attitude
 - d. Reliability
 - e. Responsibility
 - f. Participation
 - g. Open-mindedness
 - h. Willingness
 - i. Commitment
 - j. Experience

B. Nominations

1. Nominations for ASC positions will be opened by the ASC under the following conditions:
 - a. The regular schedule of rotation and election will occur within 60 days.
 - b. A trusted servant vacates an ASC position or announces their intent to vacate a position on a certain upcoming date.
 - c. A trusted servant is removed from a position for reasons delineated in Section I under Elections; and/or
 - d. An election of a single nominee for a position fails to receive approval by a consensus (or vote) of the ASC.
2. Nominations for all positions due for rotation will be **opened at the September ASC. Nominations shall be closed at the November ASC** for all positions for which a satisfactory nomination has been accepted.
3. NA groups and Houston Area subcommittee members are in the best position to identify leadership qualities among their members. Therefore, it is strongly recommended that nominations be presented by NA groups (or ASC subcommittees where subcommittees are concerned) to the ASC when nominations for trusted servant positions are open.
4. Individuals may not nominate themselves.
5. All nomination periods shall last no less than 30 days to allow groups enough time to identify individuals with leadership qualities and a willingness to serve. Nominations may be closed upon receipt of nominations (following the 30-day open nomination period) by the ASC or may be left open for an additional period as needed and determined by the ASC members.
6. All nomination periods shall be closed upon acceptance of satisfactory nominations and 30 days prior to a scheduled election. No nomination and election of the same position shall occur at a single ASC meeting. NA groups shall have a minimum of 30 days to consider all nominations.
7. All nominees must be physically present at the ASC on the day they are nominated for a position at the ASC. Nominees will be asked to qualify themselves for the position.

C. Elections

1. Elections shall be held annually in December for all ASC positions *due for rotation*.
2. All nominees must be physically present at the ASC on the day of elections in order to be considered for the position for which they are running.
3. Trusted Servants newly elected in December, will take office on January 1st of the next year. For non-regular cycle elections, the newly elected Trusted Servant will take office at the end of the meeting in which they were elected.
4. Any positions vacated prior to the end of the elected term will be filled by an Administrative Committee Members until nominations and an election is held. When a position becomes open, a group must have thirty (30) days to bring nominations to the ASC. In addition, groups must have 30 days to consider all nominations.

5. The process of the election(s) shall be:
 - a. Only GSRs or Alternates or a designated Group Representative with voting privileges are qualified to vote in elections.
 - b. 75% of groups with current voting privileges must be present in order to hold any election.
 - c. Members present can ask questions of the nominee
 - d. Discussions takes place
 - e. Nominee is asked to leave the room for voting
 - i. Discussion (if any)
 - ii. Vote is taken
 - iii. Recorder counts the votes and the votes are verified by two (2) Administrative Committee members
 - iv. Announce results of the vote
 - v. Invite nominee(s) to return
 - vi. Announce the elected name
 - d. Newly elected person to provide phone number and email to Area Recorder if that information is not currently on file.
6. In the event of a tie during an election, the administrative committee will serve as additional voting members to break a tie.
7. The Facilitator would only vote if their vote were necessary to assure an odd number of votes.

D. Terms of Office

1. All ASC Officers except RCM1 and RCM2 are elected for a term of one year. RCM1 and RCM2 will be elected for two-year terms. RCM1 will be elected in odd years; RCM2 will be elected in even years. The RCM's will collaborate on reports to be given at area and region.
2. To honor a spirit of rotation, the following restrictions are placed on election and re-election.
 - a. No ASC member shall hold more than one ASC Trusted Servant position in a single period (simultaneously).
 - b. No member shall be allowed to serve as a Group Service Representative (GSR) and Area Administrative Committee member or Subcommittee chair simultaneously.
 - c. No Area Trusted Servant shall be eligible to serve more than two consecutive full terms in the same ASC office.
 - d. No ASC Subcommittee Facilitator shall serve as a facilitator for more than one ASC subcommittee simultaneously; however, they may be a member of another subcommittee.
 - e. No person shall be permitted to hold more than four full single-year terms of any one position in a lifetime. Additionally, no person shall be permitted to accrue more than four years total in any one position. For example, someone could hold the position of Facilitator four (4) times during their lifetime, if each of those times constituted a full term. However, they could only hold the position of RCM, two (2) times during their lifetime, if each of those times constituted a full term of two (2) years each.
3. An individual is considered to have served a full term in a position if they hold that position for six (6) or more months. Therefore, serving five (5) or fewer months in a position is considered a partial term. When considered with the above, this means an individual could serve a partial term plus four (4) one-year terms in a single position, for a total period in that position not exceeding four (4) years and five (5) months in total.

E. Removal from Office

1. An ASC Trusted Servant may be removed from their office for non-compliance only after the person has been notified by either letter or email from the ASC Facilitator (or an Administrative Committee member in the case of a Facilitator position), stating that concerns about their fulfillment of service responsibilities have been raised, either by a proposal presented at the ASC or by a vote of the Administrative Committee.

2. Obviously, this section cannot account for all the possible situations that might necessitate a Trusted Servant's removal. In some cases, it may be necessary to consult the Disruptive and Violent Behavior Service Pamphlet for guidance.
3. The policy presented here is intended to serve as a guideline, understanding that suspicions of the misappropriation of funds may be handled differently than other concerns. In these matters especially, it is paramount that behavior remain respectful. If a member who is the subject of a proposal to be removed from office is present at the ASC where the issue is raised and can address the concerns mentioned by the maker of the proposal, a letter or email will not be required.
4. Non-compliance includes any of the following but is not limited to:
 - a. Loss of abstinence from drugs.
 - b. Failing to perform the duties of the position.
 - c. Two consecutively missed ASC meetings.
 - d. Misappropriation of NA Funds (Misappropriation is defined as intentional use of NA funds for any reason other than for what the money was intended.)
5. The written proposal of removal must be presented in written form and must include the name of the individual or group who makes it.
6. A two-thirds majority *of groups with voting privileges* present is required to pass a proposal for removal of a trusted servant from office. A trusted servant who is removed from office may not take or fulfill another office with the ASC for at least a year following the date of removal.

F. Transition of Officers

1. The transition process from one year and/or position to another should include the following:
2. A meeting (phone, skype, online, or in person) is set up with both the person leaving the position and the person who has been newly elected
3. Notes, ideas, status of projects, etc. are discussed
4. Highlights and experiences of the past year are discussed:
 - a. Biggest lessons learned
 - b. Successes and why they were successful
 - c. Recommendations for the next year
 - d. If appropriate for the position (if the position requires a budget), the outgoing Trusted Servant will provide a copy of the previous year's budget and the status of expenses to the newly elected Trusted Servant. The two should discuss any shortfalls and excesses and any recommendations for the upcoming year.
 - e. Contact information should be exchanged between the two persons to ensure a communication avenue is available for both, as needed.

VII. ASC Subcommittees

A. Purpose of Subcommittees

1. Just as groups create an ASC to help them fulfill their primary purpose, the ASC creates subcommittees to do the actual work involved in delivering direct services for the purpose of carrying the message to the addict who still suffers.
2. Our use of subcommittees is based on the 9th tradition, the creation of "service boards or committees directly responsible to those they serve."
3. The ASC may establish subcommittees from time to time to carry on the work of the ASC. These subcommittees shall perform their duties as described by this policy and the following.
 - a. ASC-approved subcommittee policies
 - b. A Guide to Local Services in NA
 - c. Twelve Concepts of Narcotics Anonymous for Service
 - d. Relevant subcommittee handbooks approved by the World Service Conference of NA.

B. Standing Subcommittees

1. Permanent subcommittees shall be formed by approval of the groups with voting privileges of the ASC.
2. The standing subcommittees shall include the following:
 - a. Hospitals & Institutions (H & I)
 - b. Public Relations (P. R.)
 - c. Activities
 - d. Outreach
 - e. Policy
 - f. HACNA (Houston Area Convention of Narcotics Anonymous)
3. The ASC Facilitator may appoint special subcommittees, or they may be formed by an approved proposal of the groups with voting privileges of the ASC. These special subcommittees include but are not limited to the following:
 - a. Ad-hoc (specific situation)
 - b. Select (usually research)
4. All subcommittee Facilitators shall attend and submit a **written report** at the regular ASC meeting and all subcommittees must reserve and announce meeting times and places at least one (1) month in advance. If a subcommittee facilitator does not have a written report, he or she will not be allowed to present a verbal report.

VIII. Financial Responsibility

The basis of this section is the 11th concept which states “NA funds are used to further our primary purpose, and must be managed responsibly.” We believe that to manage our money responsibly we must have safeguards and financial controls in place to insure that the funds we are entrusted with are used to further the purposes of the ASC as established by the groups. We also recognize that it is impossible to protect all Area money in every circumstance, so we must trust that the people we have carefully selected in accordance with the 4th Concept to handle our money will do so responsibly.

A. Fiscal Year

HASCONA will use a calendar year (January thru December) for its fiscal year.

B. Checking Account

1. HASCONA will establish only two business checking accounts: one for the ASC and one for the HACNA Subcommittee.
2. The HACNA checking account will be established and managed according to the HACNA guidelines, but remains the sole responsibility of the ASC.

Appendix A – 12 Concepts

Twelve Concepts of Narcotics Anonymous

1. To fulfill our fellowship's primary purpose, the NA groups have joined together to create a structure which develops, coordinates, and maintains services on behalf of NA as a whole.
2. The final responsibility and authority for NA services rests with the NA groups.
3. The NA groups delegate to the service structure the authority necessary to fulfill the responsibilities assigned to it.
4. Effective leadership is highly valued in Narcotics Anonymous. Leadership qualities should be carefully considered when selecting trusted servants.
5. For each responsibility assigned to the service structure, a single point of decision and accountability should be clearly defined.
6. Group conscience is the spiritual means by which we invite a loving God to influence our decisions.
7. All members of a service body bear substantial responsibility for that body's decisions and should be allowed to fully participate in its decision-making processes.
8. Our service structure depends on the integrity and effectiveness of our communications.
9. All elements of our service structure have the responsibility to carefully consider all viewpoints in their decision-making processes.
10. Any member of a service body can petition that body for the redress of a personal grievance, without fear of reprisal.
11. NA funds are to be used to further our primary purpose, and must be managed responsibly.
12. In keeping with the spiritual nature of Narcotics Anonymous, our structure should always be one of service, never of government.

Appendix B – 12 Traditions

Twelve Traditions of Narcotics Anonymous

1. Our common welfare should come first; personal recovery depends on NA unity.
2. For our group purpose there is but one ultimate authority — a loving God as He may express Himself in our group conscience. Our leaders are but trusted servants; they do not govern.
3. The only requirement for membership is a desire to stop using.
4. Each group should be autonomous except in matters affecting other groups or NA as a whole.
5. Each group has but one primary purpose — to carry the message to the addict who still suffers.
6. An NA group ought never endorse, finance, or lend the NA name to any related facility or outside enterprise, lest problems of money, property, or prestige divert us from our primary purpose.
7. Every NA group ought to be fully self-supporting, declining outside contributions.
8. Narcotics Anonymous should remain forever non-professional, but our service centers may employ special workers.
9. NA, as such, ought never be organized, but we may create service boards or committees directly responsible to those they serve.
10. Narcotics Anonymous has no opinion on outside issues; hence the NA name ought never be drawn into public controversy.
11. Our public relations policy is based on attraction rather than promotion; we need always maintain personal anonymity at the level of press, radio, and films.
12. Anonymity is the spiritual foundation of all our traditions, ever reminding us to place principles before personalities.

Appendix C – 12 Steps

Twelve Steps of Narcotics Anonymous

1. We admitted that we were powerless over our addiction, that our lives had become unmanageable.
2. We came to believe that a Power greater than ourselves could restore us to sanity.
3. We made a decision to turn our will and our lives over to the care of God *as we understood Him*.
4. We made a searching and fearless moral inventory of ourselves.
5. We admitted to God, to ourselves, and to another human being the exact nature of our wrongs.
6. We were entirely ready to have God remove all these defects of character.
7. We humbly asked Him to remove our shortcomings.
8. We made a list of all persons we had harmed and became willing to make amends to them all.
9. We made direct amends to such people wherever possible, except when to do so would injure them or others.
10. We continued to take personal inventory and when we were wrong promptly admitted it.
11. We sought through prayer and meditation to improve our conscious contact with God *as we understood Him*, praying only for knowledge of His will for us and the power to carry that out.
12. Having had a spiritual awakening as a result of these steps, we tried to carry this message to addicts, and to practice these principles in all our affairs.

Appendix D – GSR Orientation

Group Service Representative (GSR) Orientation

The Group Service Representative/Alternate (GSR/A) Orientation should include the following:

1. A Guide to Local Service handbook.
2. A copy of the HASCONA Area Policy.
3. Notebook with both of the above and dividers labeled for months of the year for placement of minutes of each Area Service Committee (ASC). GSR Report Form (5), Proposal Form (5) and current GSR/Trusted Servant contact list.
4. Brief overview of NA service structure pyramid with emphasis on the groups as the most important position and GSR's as the most important voices representing groups in our fellowship.
5. Review of the responsibilities of the position (see below).
6. Review of the "How do I become informed as a GSR" section.
7. Review of the nominations timing and process of elections.
8. Review of how to make a proposal at the Area Service Committee.
9. Review of how to make a Group Report to the Area Service Committee.
10. What to discuss in "Open Sharing Session".
11. Review of Consensus-Based Decision-Making process and how to participate effectively.
12. Review of what "Learning Days" are and why they are important to promote and attend.
13. Discuss of the annual General Assembly – timing and importance of representation by groups.
14. Discussion, question and answer period.
15. Collection of phone number and email of GSR and GSRA to send electronic copies of the HASCONA Area Policy, GSR Report Form and Proposal Form.
16. Provide GSR/A the contact information for the Area Recorder.

The following is adopted directly from The Guide to Local Service, pp 35-36.

Each NA group elects one group service representative; even those groups hosting more than one recovery meeting. These GSRs form the foundation of our service structure. GSRs provide constant, active influence over the discussions being carried on within the service structure. They do this by participating in area service committee meetings, attending forums and assemblies at both the area and regional levels, and sometimes joining in the work of an ASC subcommittee. *[In the Guide to Local Service there are additional lines that we propose not be included here: "If we are vigilant in choosing stable, qualified leaders at this level of service, the remainder of the structure will almost certainly be sound. From this strong foundation, a service structure can be built that will nourish, inform, and support the groups in the same way that the groups nourish and support the structure.]*

Group service representatives bear great responsibility. While GSRs are elected by and accountable to the group, they are not mere group messengers. They are selected by their groups to serve as active members of the area service committee. As such, they are responsible to act in the best interests of NA as a whole, not solely as advocates of their own groups' priorities.

As participants in the area committee, GSRs need to be as well informed as they can be concerning the affairs of the committee. They study the reports of the committee's officers and subcommittee chairpersons. They read the various handbooks published by the World Service Office on each area of service. After carefully considering their own conscience and what they know about how their group members feel, they take active, critical parts in the discussions, which form the group conscience of the entire *[Area]* committee.

Group service representatives link their groups with the rest of the NA service structure, particularly through the information conveyed in their reports to and from the area committee. At group business meetings, the GSR report provides a summary of area committee activities, often sparking discussions among group members that provide the GSR with a feel for how the area can better serve the group's needs. In group recovery meetings, GSRs make available fliers announcing area and regional activities.

At area committee meetings, GSR reports provide perspectives on group growth vital to the committee's work. If a group is having problems, its GSR can share those problems with the committee in his or her reports. And if the group hasn't found solutions to those problems, the area chairperson will open a slot on the committee's "sharing session" agenda so that the GSR can gather the experience others have had in similar situations. If any helpful solutions arise from the sharing session, the GSR can report those back to the group.

Alternate GSR

Groups also elect a second representative called an alternate GSR. Alternate GSRs attend all the area service committee meetings (as nonvoting participants) with their GSRs so that they can see for themselves how the committee works. If a GSR cannot attend an area committee meeting, that group's alternate GSR participates in the GSR's place.

Alternate GSRs, along with other members, may also serve on area subcommittees. Subcommittee experience gives alternate GSRs added perspective on how area services are actually delivered. That perspective helps make them more effective area committee participants if their groups later elect them to serve as GSRs.

What are the basic responsibilities of the Group Service Representative position?

1. Have a clear understanding of the NA service structure and how the GSR/A is the most important position in our fellowship. The groups are the top of our service pyramid which drives Area, Region, Zone, and NAWS activities. Therefore, the voice and conscience you carry from your group is the most valued voice in the whole of Narcotics Anonymous.
2. Present a positive attitude of your service experiences and position to your group and others in the fellowship because we only survive and thrive through participation of our members. Let your example of service as a GSR be one of attraction.
3. Attend the Area meeting regularly. Two consecutive absences and your group will lose its voting privileges until the group is represented at two consecutive Area meetings. This means your group will not have the opportunity to vote on elections, proposals, financial decisions, etc. for a minimum of 2 months. As the GSR, you are the most important voice our fellowship, representation of your group at Area is vital. If you are unable to attend the ASC, please ensure your GSR-Alternate is attending or designate someone in your group as your Group Representative and ask them to attend in your place in order to continue the flow of communication from your group to Area and from Area to your group.
4. Participate actively in the discussions that take place at the Area meeting.
5. Report to the Area on your group's overall welfare, bringing any specific problems and hopefully, proposed solutions, to the Area for help when necessary.
6. Bring information back to your home group (generally in the form of a verbal or written report) about what happened at the Area meeting. Events, positions open for nominations, Trusted Servant elections and proposals brought before Area would be the main areas of focus.
7. Carry your group's conscience with regard to voting for Trusted Servants and when participating in discussions about proposals brought before area.
8. Mentor the GSRA if your group has one. If there is not currently a GSRA for your group recruit one!
9. Attend annual General Assembly of Regional GSR's.

How do I become informed as a GSR?

1. Learn the NA language and acronyms:
 - a. IPs (Information Pamphlets)
 - b. ASC (Area Service Committee)
 - c. RSC (Regional Service Committee)
 - d. NAWS (NA World Services)
 - e. RCM (Regional Committee Member)
 - f. H&I (Hospitals and Institutions)
 - g. HACNA (Houston Area Convention of Narcotics Anonymous)
 - h. TBRCNA (Texas Bluebonnet Region of Narcotics Anonymous)
2. Learn the ASC Trusted Servants names and the responsibilities of each position. (Facilitator, Co-Facilitator, Treasurer, Co-Treasurer, Recorder, RCM 1, RCM 2, Policy Facilitator)
3. Learn the subcommittees (H&I, PI, HACNA, Outreach, Activities and Policy) and what they do, who the Facilitators are and where they meet. Ask the subcommittee facilitators about their subcommittees and make sure you have their contact information (phone number and email address) for your reference and your group's reference as needed. Attend a few of subcommittee meetings.
4. Learn the subcommittee meeting times and locations. Help promote the subcommittee's needs by announcing their meetings and locations at all meetings you attend. Encourage participation by other NA members.
5. Obtain and read the NA Guide to Local Service. Ask questions if you don't understand something.
6. Obtain and read the Area policy. Ask the Policy Facilitator about things you don't understand.
7. Read both NA Guide to Local Service and the Area Policy specifically to understand the consensus-based decision-making process. Your ability to be effective in this position will be greatly enhanced once you understand this process because it is used for all decision making (except for Trusted Servant elections) at the Area level.
8. Ask questions. Talk with your group to see how they would like you to serve the group in this position – what is most important to them? Talk with people who have held the GSR or GSRA positions previously in your group and other groups. Talk with your predecessors about service and the role of GSR/A within the area.
9. Ideally serve in the alternate GSR role for one year prior to becoming GSR of a group. At the very least attend several Area meetings as an observer to familiarize yourself with the process and what is expected.

How do I know who to vote for in Trusted Servant elections?

Pay attention at Area Meetings - trusted servant positions are just that - trusted (and hopefully egoless). When voting a candidate in a trusted servant position, ask questions, get definitive answers, and when in doubt, follow the lead of those whose time, recovery, and spirituality you respect. Talk to your sponsor.

If there are extensive discussions and/or concerns about a particular candidate, understand that you are not obligated to vote them in just because no one else is willing to step up. If a position doesn't get filled, NA will still exist. Learn a little about the people who have been around and of service. If one of them is asking a lot of questions, listen and feel free to ask questions as well. Remember, you are representing your group. Anticipate questions your group members may ask and be prepared to answer them.

X. Appendix F – Consensus-Based Decision Making

Consensus-Based Decision Making

Consensus is a decision-making process that works creatively to include all persons making the decision. It is the most powerful decision process as all members agree to the final decision. This is truly radical democracy as all participants have a direct voice and veto power. In short consensus takes into account and validates each participant. Everyone gets the opportunity to voice their opinion or block a proposal if they feel strongly enough about a decision.

Basic Consensus

F.A.Q. What Exactly Is Consensus?

Consensus is a decision-making process which equalizes power over a group of people. Instead of simply voting for an item and having the majority of the group get their way, the group has to sit down and get a solution to a problem that EVERYONE is okay with. People take different ideas and we see how we feel about them. The solution that the group thinks is the most positive gets chosen, unless a member of the group finds the solution totally unacceptable. Consensus is based on compromise, and the ability to find common ground.

Why Would We Want to Use Consensus?

Consensus is a system that promotes participation because each person has the power to make changes in the system, and to prevent changes that they find unacceptable. People are often inactive because they feel that they have no power in the system and their voice won't be listened to. (Isn't that why so few people vote in most industrial democracies?) Imagine if corporations had to have consensus from a community to build a plastic factory near them, or an incinerator. Shouldn't this be what happens regularly? Since consensus would give everyone power to have their voice be heard, it would force people to listen to each other, and answer their concerns instead of moving past them.

But What's Wrong with a Majority Rule System?

The majority rule system is set up to have a winner and a loser. This promotes conflict and lends itself to steamrolling an idea over a minority that dissents with the majority opinion.

People in a majority rule system don't need to listen to the dissenting minority or take their opinion seriously because they can simply outvote them. Majority rule systems say that the majority is infallible, and they have nothing to learn from the minority. There is no moral system at work with a majority rule system, and there is nothing to say that the majority of people will come up with a morally acceptable system.

Be Honest, What Are the Bad Things About Consensus?

Since it is a lengthier process to hash out ideas until all objections are resolved, your group meetings might be a bit longer, and some proposals might regularly take more than a week to decide. Also, since some proposals may be just shot down without hope of compromise, consensus sometimes favors the status quo.

How it works...

1. Presentation: The proposal is presented as clearly as possible by its author.
2. Clarifying Questions: Questions are asked by anyone about the proposal to make sure that everyone understands it before you discuss it. This is not a debate over the proposal, just clarification.
3. Discussion or Reservations: The proposal is discussed and debated. Possible amendments to the proposal are made at this time. The author always reserves the right to alter the proposal as he/she sees fit.
4. Take general feelings on the proposal _ Do we have a consensus?

- a. **Assent** - I agree and/or go with it. Shown with silence.
- b. **Assent with Reservations** - I don't like this but I trust the Group and the process. It does not block the passing of a proposal, but it is a public statement of why you dislike it (so you can say 'I told you so!' later). All strong concerns are written in the minutes of the meeting or otherwise recorded by the Recorder.
- c. **Stand Aside** - I don't agree. It does not block the passing of a proposal, but it is a public statement of why you dislike it (so you can say 'I told you so!' later). All strong concerns are written in the minutes of the meeting or otherwise recorded by the Recorder.
- d. **Block** - Blocks the proposal from passing. If you block it means that you cannot live with the proposal if it passes. It is so objective to you/those you represent, that you will stop the proposal from passing. A block isn't an "I don't really like it" or an "I liked the other idea better." It is an "I cannot live with this proposal if it passes. I think it violates a traditions or spiritual principles or concepts, and here's why..."

Does the Proposal Pass?

If the feelings of the group are generally positive and there are no major objections, then the proposal passes. If general feelings are positive, but someone has blocked the proposal, the proposal doesn't pass. It may get sent to a reconciliation committee or withdrawn and reworked and represented at a later date. If the group feelings are generally negative, the proposal doesn't pass. If the group feelings are mixed, not generally positive or negative, discussion continues, or the proposal is tabled until the next meeting, or until more information is available. If discussion seems to be going on forever without the possibility of resolution, the group can:

- 1. Decide to drop the proposal.
- 2. Move onto approval voting of specific options within the proposal, or,
- 3. Send the proposal to a 'reconciliation committee' - or perhaps the original author - for rewriting to work out the objections.

Ground Rules

- 1. A time limit of 15 minutes will be imposed on the discussion of proposals
- 2. A consensus is reached when 75% of voting members agree
- 3. No Repeating
- 4. No Bulldozing Majority
- 5. Hear the Minority Opinion
- 6. Decide ahead of time what we consider a Consensus
- 7. Meeting Recordings (Formally Minutes)
- 8. Respect One Another

This will take a lot of cooperation from everyone to make this a true consensus. Consensus is a broad agreement among members of this body and consensus-based decision-making is any number of techniques to adopt proposals that the body can broadly agree on; this agreement is reached through both discussion and willingness to modify proposals.

Appendix J - HASCONA Hospitals and Institutions Subcommittee (“H&I”) Policies and Procedures (Finalized 6.28.20)

Introduction:

The ultimate goal of H&I work is to get our message of recovery to any addict whose attendance at regular NA meetings is restricted. A strong and stable H&I subcommittee, with support and willingness from the local NA community, is crucial if we are to do this.

H&I committees are subcommittees of the area or regional service committee and as such they are directly accountable to that committee in all matters. Subcommittees are not autonomous; they are established by areas and regions to serve a specific need. Budget, new guidelines, and reports of the subcommittee’s work should be submitted for approval to the appropriate subcommittee.

The panel system has a “panel coordinator” who oversees several different H&I commitments to assure that communications between the facility and the H&I subcommittees are going well. Each H&I meeting has a panel leader, who makes all necessary arrangements to put on the meeting itself. “Panel members” are those who attend the meeting to share their recovery. A variety of formats can be used within such a panel system.

Purpose:

We shall maintain an active liaison and keep the spirit of cooperation with HASCONA. We abide by all the rules of the facility that we enter, so far as it allows us to freely carry the message of recovery in Narcotics Anonymous. Created in harmony with Tradition Nine, to instill unity in our own Twelve Step work, our concept is to ensure that no addict seeking recovery need die without finding a better way of life. This should always be our primary purpose.

H&I initiates, coordinates, and conducts all H&I meetings/presentations in the HASCONA area but may use other methods such as distribution of literature and meeting lists to make recovery more accessible to the addicts in those facilities.

Function:

1. Be a resource for providing information, literature, and sharing experience, strength, and hope where needed.
2. To provide a list of all active H&I meetings to ASC.
3. To conduct a monthly subcommittee meeting.
4. To maintain communications with the HASCONA and Regional Service Committee.
5. Maintain a current list of all facilities served.
6. The HASCONA H&I subcommittee’s function is to carry the message of recovery through meetings held in facilities whose residents are restricted in their access to regular NA meetings.

Cooperation:

Since NA is a program of attraction rather than promotion, H&I serves an institution at the invitation of the institution’s administration.

****We share only our personal experience, strength, and hope.****

Each member must be cautioned to act responsibly, relative to the requirements of the institution and the Twelve Traditions of NA. As individual members of the H&I subcommittee of HASCONA, we must always keep in mind our primary purpose and maintain the integrity of NA as a whole.

H&I Subcommittee Positions

In the event of a subcommittee member's relapse or when asked to step down, we respectfully ask that the position be surrendered. All commitments are for a period of one year with a maximum of two consecutive terms. Partial terms are not counted as part of the commitment period. All subcommittee members are expected to attend the subcommittee meetings.

Facilitator: (elected by ASC)

Qualifications:

1. Access to computer and Internet.
2. Ability to operate and coordinate computer related materials.

H. Helpful Suggestions

Overenthusiasm can be potentially harmful to achieving goals. Establish priorities and work toward accomplishing them in a fully informed manner that is consistent with our Twelve Steps, Twelve Traditions and Twelve Concepts.

Always keep in mind our Eleventh Tradition “Our public relations policy is based on attraction rather than promotion; we need always maintain personal anonymity at the level of press, radio and films”.

It is through group conscience that service work is best accomplished, and NO INDIVIDUAL EFFORTS should be undertaken. Keep in mind our First Tradition: "Our common welfare depends on N.A. unity". It is imperative that all P.R. members be flexible to the dynamic demand of various P.R. tasks being undertaken at any time. Constant communication within the P.R. subcommittee is required; not just at P.R. service meetings, but in between them as well. The Houston Area Service P.R. Subcommittee relies heavily on email and phone communications to accomplish its job.

The Houston Area P.R. Subcommittee wishes to extend a debt of gratitude to the Katmandu Area PI Subcommittee for their assistance with these guidelines.
